ABOUT

INTRODUCING OUR NEW MASCOTS...

Longy & Sally

BASALT EDUCATION FOUNDATION is a nonprofit organization dedicated to enhancing and enriching the educational experience for students within the Basalt public schools. Established with the goal of supporting and advancing education, BEF's impact and fundraising has grown tremendously in the 28 years since the first Taste of Basalt was put on, but it remains a true community organization. By collaborating with and providing resources to the Basalt schools, educators, parents, and community, BEF strives to support a dynamic learning environment that empowers students to thrive and reach their full potential.

BEF operates as a bridge between the schools and the community they serve, the community who is passionate about supporting education. The foundation recognizes the importance of innovative programs that inspire all students and strives to give teachers and administrators the resources they need to implement those programs. As an example, this past year, BEF hired an Outdoor/Experiential Education Coordinator to assist all three schools with this important programming.

Over the years, BEF has left an indelible mark on the local education system by fostering a culture of collaboration, innovation, and community involvement. The foundation has helped create opportunities for students to explore their passions, develop critical skills, and prepare for the challenges of the future. By uniting stakeholders with a shared commitment to education, the Basalt Education Foundation exemplifies the potential of collective efforts to transform and elevate the quality of learning.

FUND

SLC - SCHOOL LIAISON COMMITTEE

Dedicated to fostering parent involvement through volunteering and initiatives like Teacher Appreciation Week, creating a stronger and more supportive school community. Formerly known as PEG before joining forces with BEF.

O/EX ED

Outdoor/Experiential Education provides immersive learning experiences in natural and 'outside the building' settings, fostering personal growth and a deeper connection to the environment. BEF's O/EX Ed Coordinator is instrumental in supporting the schools' offerings.

SCHOLARSHIPS

The BEF General Scholarship and a number of other scholarships made possible by the generosity of the Rittvo family support and empower students after leaving Basalt High School.

STEM

Enrichment experiences and supplies for STEM (Science, Technology, Engineering, and Math) education.

DUAL LANGUAGE

Professional development and materials for Dual Language Education.

MUSIC, ART, MEDIA + ENRICHMENT

Vital support for programs that enrich students' educational experiences and foster creativity and expression within the community.
